Villages CAFE
(Children And Families Engaging)

Graduation Ceremony
September 21, 2024

Congratulations

Life is a journey. Along the pathway of the life you live, you will encounter good and bad, right and wrong, love and hate, and opportunities for success. Every day you are writing a story. Your story. You are the author. Your dedication, work, and commitment to learn and grow is second to none. The REC and its signature program, Villages CAFE is happy and proud to be a small part of your story. We congratulate you and say, Thank You!

Special Thank You to...

The Childrens Board of Hillsborough County (CBHC) created a new funding opportunity for small Non-Profit businesses in Hillsborough County. The open and public call of request for proposals was answered by the Resource Empowerment Centre (REC). By the way of competitive evaluation, the REC won not awarded one grant, not two grants, but three grants. Now the REC is poised and committed to serve more families, more mothers and fathers, more sons and daughters, and the community at large. Thank you CBHC for partnering with ALK of Florida dba the Resource Empowerment Centre and for generously providing funding so that we may continue to serve as Servant Leaders.
